Plogging Rally

Plogging rally conducted by NCC Cadets

Andhra Christian College, Guntur.
(Day, Evening & P.G)

2(A) ARMD SQN NCC UNIT, GUNTUR

Name of the Activity : **Plogging Rally**
Date : 07-12-2022
Organizer : Lt. K. Ravi
No of Participants : 19

OBJECTIVES:

- The purpose of this Endeavor is to keep the environment clean by taking advantage of time usually spent on outdoor physical activity.
- Basically, plogging proposes to optimize time spent running in order to optimize time spent running in order to do something positive for the planet.

OUTCOMES:

- It gives you the chance to get over yourself and feel better while taking care of nature and reinforcing your environmental awareness
- It lowers the risk of heart problems, increases lung capacity and improves digestion. It increases energy and physical ability by improving the body's oxygenation.

DISCRIPTION:

- The beauty of plogging, Ahlström believes, is its simplicity. Unlike many other exercise trends, it doesn't require classes or expensive equipment, just a bag and a desire to make a positive difference. "Everyone is allowed to do it how they want to," he says. "Anything works. The most important thing is that waste is being taken out of nature
- Besides the obvious environmental benefits, the extra movements in plogging makes it healthier than if you simply ran past the trash. According to Ahlström, a half hour of plogging burns 288 calories, compared with the 235 calories burned during regular jogging. Ahlström believes that the multiple benefits of plogging, combined with its accessibility, are what have helped make it so popular. "It's a low-intensity exercise format, usually lasting about 60 minutes. But at the same time, it's smart, good for the body and mind, and of course good for the environment."

Plantation Programme

PLANTATION BY NCC CADETS WITH PI STAFF IN COLLEGE CAMPUS

Andhra Christian College, Guntur.
(Day, Evening & P.G)

2(A) ARMD SQN NCC UNIT, GUNTUR

Name of the Activity	: Plantation Programme
Date	: 26-11-2022
Organizer	: Lt. K. Ravi
No of Participants	: 20

Objectives:

- To promote the continuous planting of trees and the expansion of woodland across vulnerable tackle the adverse effect of climate change as a result of continuous indiscriminate

Outcomes:

- Tree Plantation drives combat many environmental issues like deforestation, erosion of soil, desertification in semi-arid areas, global warming and hence enhancing the beauty and balance of the environment. Trees absorb harmful gases and emit oxygen resulting in an increase in oxygen supply.

Description:

Planting large numbers of trees helps to purify the polluted air that we breathe in. Plants play a big role in our ecosystem by maintaining a balance among all the elements that are present in nature. Planting more trees also helps to keep in check the climate conditions of a place. On 26 Nov. 2022, all the cadets of NCC of Andhra Christian College has participated by tree plantation programme. After the planting we have conducted an awareness program to the people in the surroundings regarding tree plantation by telling them to plant more plants to save the nature. Tree plantation is a process where a large number of trees or seedlings are planted for land.

Swatcha Abhiyan Rally Programme

Cleaning Statue by NCC Cadets

Andhra Christian College, Guntur.
(Day, Evening & P.G)

2(A) ARMD SQN NCC UNIT, GUNTUR

Name of the Activity	: Swacha Abhiyan Rally
Date	: 02-10-2022
Organizer	: Lt. K. Ravi
No of Participants	: 20

Objectives:

- To bring awareness about behavioural changes in the people towards sanitation and hygiene.
- To tell people how sanitation is linked to their overall health and happiness.
- To encourage and acknowledge new technological innovation in the field of sanitation or cleanliness.

Outcomes:

By the end of Swachh Abhiyan mission,

- We managed to bring awareness among people in our college surroundings regarding cleanliness and hygiene.
- We have cleaned our college premises as well as the surroundings rural village by interacting with the people around.

Description:

Swachh Abhiyan Mission, the world's largest sanitation initiative was launched by the Prime Minister of India in 2014 to achieve an Open Defecation Free India by October 2, 2019, as a tribute to Mahatma Gandhi. The programme led to the construction of over 10 crore individual household toilets, taking sanitation coverage from 39% in 2014 to 100% in 2019 when around 6 lakh villages declared themselves Open Defecation Free (ODF). As part of Swachh Abhiyan, NCC cadets of our college has conducted a cleaning program in the rural area called Sambasivarao peta . Our cadets met with the residents of that village and taught them about the importance of cleaning and sanitation. We have told them.

AWARENESS ON PLASTIC BAN

Name of the Activity	: Awareness on Plastic Ban
Date	: 07-06-2022
Organizer	: Lt. K. Ravi
No of Participants	: 20

Objectives:

- To spread how to reduce use of plastic and to emphasize the beneficial management of plastic waste.
- Efficient transformation of plastic into energy and fuel.
- Making our environment an eco-friendly zone.

Outcomes:

- The awareness gave a clear message; not to consider plastic bags as trendy and user-friendly but a single destructive army. So, go back to traditional cloth bags.
- The awareness increased public understanding and shaped community perceptions on the dangers of plastic pollution and available solutions, thereby empowering more people and organizations to take action.

Description:

Increasing plastic waste in the world environment is adversely affecting mother earth and humans. Due to lack of awareness, it is frequently either dumped carelessly on land, roads or in rivers. In order to reduce the plastic consumption and acquainting the young minds regarding their responsibility towards plastic pollution, awareness program was organized by the NCC department of Andhra Christian College, in collaboration with 2(A)ARMD SQN NCC on 07-06-2022. The aim of awareness was to join hands for Prime Minister's Shri Narendra Modi's National Cleanliness Campaign 'Swachh Bharat Mission' and to sensitize the young cadets against the harms to natural environment posed by increasing plastic usage. Young cadets urged the residents to stop using plastic against the ill effects.

Our NCC cadets cleaned the surroundings by picking the plastic or other garbage.

- To promote the continuous planting of trees and the expansion of woodland across vulnerable tackle the adverse effect of climate change as a result of continuous indiscriminate

Outcomes:

- Tree Plantation drives combat many environmental issues like deforestation, erosion of soil, desertification in semi-arid areas, global warming and hence enhancing the beauty and balance of the environment. Trees absorb harmful gases and emit oxygen resulting in an increase in oxygen supply.

Description:

Planting large numbers of trees helps to purify the polluted air that we breathe in. Plants play a big role in our ecosystem by maintaining a balance among all the elements that are present in nature. Planting more trees also helps to keep in check the climate conditions of a place. On 26 Nov. 2021, all the cadets of NCC of Andhra Christian College has participated by tree plantation programme. After the planting we have conducted an awareness program to the people in the surroundings regarding tree plantation by telling them to plant more plants to save the nature. Tree plantation is a process where a large number of trees or seedlings are planted for land.

Name of the Activity	: Swacha Abhiyan Rally
Date	: 02-10-2019
Organizer	: Lt. K. Ravi
No of Participants	: 22

Objectives:

- To bring awareness about behavioural changes in the people towards sanitation and hygiene.
- To encourage and acknowledge new technological innovation in the field of sanitation or cleanliness.

Outcomes:

- We managed to bring awareness among people in our college surroundings regarding cleanliness and hygiene.

Description:

Swachh Abhiyan Mission, the world's largest sanitation initiative was launched by the Prime Minister of India in 2014 to achieve an Open Defecation Free India by October 2, 2019, as a tribute to Mahatma Gandhi. The programme led to the construction of over 10 crore individual household toilets, taking sanitation coverage from 39% in 2014 to 100% in 2019 when around 6 lakh villages declared themselves Open Defecation Free (ODF). As part of Swachh Abhiyan, NCC cadets of our college has conducted a cleaning program in Sambasivapet.

AWARENESS ON PLASTIC BAN

Name of the Activity	: Awareness on Plastic Ban
Date	: 07-06-2019
Organizer	: Lt. K. Ravi
No of Participants	: 20

Objectives:

- To spread how to reduce use of plastic and to emphasize the beneficial management of plastic waste.
- Efficient transformation of plastic into energy and fuel.
- Making our environment an eco-friendly zone.

Outcomes:

- The awareness gave a clear message; not to consider plastic bags as trendy and user-friendly but a single destructive army. So, go back to traditional cloth bags.
- The awareness increased public understanding and shaped community perceptions on the dangers of plastic pollution and available solutions, thereby empowering more people and organizations to take action.

Description:

Increasing plastic waste in the world environment is adversely affecting mother earth and humans. Due to lack of awareness, it is frequently either dumped carelessly on land, roads or in rivers. In order to reduce the plastic consumption and acquainting the young minds regarding their responsibility towards plastic pollution, awareness program was organized by the NCC department of Andhra Christian College, in collaboration with 2(A)ARMD SQN NCC on 07-06-2019. The aim of awareness was to join hands for Prime Minister's Shri Narendra Modi's National Cleanliness Campaign 'Swatch Bharat Mission' and to sensitize the young cadets against the harms to natural environment posed by increasing plastic usage. Young cadets urged the residents to stop using plastic against the ill effects. Our NCC cadets cleaned the surroundings by picking the plastic or other garbage.
