Career Guidance and Placement Cell

Vision

Transfer Students dream into Reality. To empower the students with the knowledge, technology, skills and confidence necessary for successful career development and placement, fostering a self-sustainable community

Mission

- To offer personalized career counselling and guidance to help students identify their strengths, interests, and career goals.
- To empower students to become self-reliant.
- Create awareness among students regarding available career options and help them in identifying their career objectives.
- Identify suitable potential employers and help them achieve their hiring goals.
- Organize activities concerning career planning.
- Act as a bridge between students, alumni and employers.
- Take feedback from industry and provide inputs for curriculum.

OBJECTIVES

- To provide an efficient environment for the students in enhancing their skills and their preparation strategies towards fulfilling their Career Objectives.
- To organize Programmes to create awareness about the importance of higher studies.
- To plan and provide wide variety of programmes on communication and soft skills and personality development.
- To set up pre-placement training programmes so that students may demonstrate their abilities in interviews.
- To encourage young people to pursue self-employment.
